3. (Internal Use Only - JGO) Met with Mr. Kenneth Harkins, Counsel, House Committee on Judiciary, and delivered to him the Director's letter of 10 August concerning a requested review of Agency files. After reading the letter very closely, Mr. Harkins commented, "This is exactly right." The meeting was short, informal, and pleasant.

4. (Internal Use Only - JGO) At the request of Mr. Ralph Preston, House Appropriations Committee staff, who called on behalf of Representative Clarence J. Brown (R., Ohio), an appointment was arranged for personnel interview for a Mike Murphy of the Marine Corps for Friday, 14 August, at 1:00 p.m.

5. (Confidential - GLC) By way of followup to a call I received at home last night from Mr. Goodwin and after consultation with CA Staff, I talked with Mr. David Lovenheim, Administrative Assistant to Representative Frank Horton (R., N.Y.), about the case of Fred Eidlin a former employee of Radio Free Europe who was recently arrested on espionage charges in Czechoslovakia. I learned that Lovenheim has been in touch with State Department (Mr. Fred Rossi) on the case and has been given the substance of all dispatch traffic. I told Lovenheim that we were not involved in the case and that he had a proper point of contact since all available information on the case was being received through the embassy.

6. (Secret - GLC) In response to his earlier request, left with Ed Braswell, on the staff of the Senate Armed Services Committee, a paper on the history of our appropriations procedure.

7. (Unclassified - RJK) As promised, delivered to Don Lesh, in the office of Senator Mike Gravel (D., Alaska), an Izvestiya article in which the Senator had a very strong interest (see Journal of 10 August). Mr. Lesh appreciated receiving the article in time for a morning hearing on the subject.

8. (Confidential - LLM) Met with Catherine Parham, in the office of Representative Bob Wilson (R., Calif.), concerning a constituent's complaint that her former husband, employed by Air America, was not making support payments for their children. Miss Parham felt that our suggested reply recommending institution of a suit for attachment of salary would handle the matter nicely. The suggested reply was based upon the advice of Mr. Warfield, DDS.
